(SECOND EDITION)

PUBLISHED BY
THE ALUMNI ASSOCIATION
OF
ST. JOHN'S COLLEGE
ANNAPOLIS, MD.
JANUARY, 1921

PRESS OF THE DAILY RECORD
15 E. SARATOGA ST.
BALTIMORE, MD.

FOREWORD

In addition to the listing of Alumni according to classes and membership in the Association, as appears in the first edition, we have, in this edition, added the new feature of geographically arranging the names, together with a notation as to the business connection of each Alumnus. We trust this second edition will be of interest and value to the College, her Alumni and all her friends.

Credit for the preparation of this Register is due entirely to Mr. Philander B. Briscoe, Chairman of the Membership Committee, who has been indefatigable in his efforts to keep at all times in close touch with the College Alumni, and has prepared a Register which we believe to be as reliable as it is possible for a publication of this kind to be.

We ask all members of the Alumni Association to urge those listed as "non-members" to join the Association; and in order that corrections can be made, kindly notify the Secretary-Treasurer of any errors or omissions in this issue.

OSBORNE I. YELLOTT,
President.
